

Application #: \_\_\_\_\_

## 2018 Minot Area Classic/Muscle Car Calendar Application

Holly Sebo Photography is undertaking a photography project for 2017 to create a calendar of classic cars/muscle cars in and around the Minot area. The purpose of this project is to showcase the incredible classic cars that reside in the area, share their “story,” and to create a tastefully done combination of 12+ featured cars and models wearing fashion of the car’s era (ex. a 1957 vehicle will showcase 1950’s fashion). The calendar will be available for purchase at the end of 2017, and will be used as advertising for other local businesses and showcasing my photography. The criteria to be selected for the calendar are purely based on preference of the photographer and the vision for the project. Photo shoots will occur June-July, 2017 at locations yet to be determined around the Minot area.

Please return this application by **5/1/2017** (extended to 5/15/2017) to:

Holly Sebo Photography  
24 N Main St., Ste F  
Minot, ND 58703
