PRESIDENTS MESSAGE

June 2014

“SHIFT’N GEARS FOR 20 YEARS”

Well, as I write this message, your VP has undergone a knee replacement. Word has it he is doing well and will be ready for that normal kicking contest shortly!! Good Healing, Jerry! Well, the trip to “Back to the Fifties” with my daughter Danni from Grand Forks, was without flaw! I took the 57 Chevy and it was one of many 55, 56 and 57 Chevies in attendance. I saw about 300 of those cars, and even saw about 5 of the 57’s that were my exact color! I will say, mine could stand up to any of them as far as quality. Most of the others, (not all, but most) had many modifications done to them such as mag wheels, stereo’s, big engines and stuff like that. Every one was nice and unique in its own right. I saw quite a few Dakota Cruiser members around the fairgrounds as I traveled the sidewalks and roadways. Cars and trucks of all age groups and styles from the early 1900’s to anything 1964 and in between. They had swap meet, car auction, vendors and lots of neat things. Maybe not every year, but Danni and I will return! If you like hot rods, maybe you can try it some time!!!

Finally we are getting to enjoy some cruises on Wed nights and weekend small town car shows. The web site of the club (www.dakotacruiser.com) Ohas a special section for the calendar---and links, and member profiles. Check it out!

All I can say now is that the summer will be short in Minot, so get out your car(s) and get them some exercise. They say, and I don’t know who ‘they’ are, but they say that is not good to just let your cars set!!! Use them and keep the seals from drying out!

See you on a cruise!

George

It was a fun and emotional day at Oak Park in Minot yesterday as members of the community came together for the fifth and final Run for Reiny.

The run and walk is dedicated to the memory of Reiny Inman of Surrey, who passed away in 2009 following a car accident. One of Reiny's high school running teammates, Shelby Gantzer, took it upon herself to organize the event.

Over the years, proceeds of the event have gone to uniforms for their school's running teams, last year's Boston Marathon bombings and other charities.

Shelby has been battling epilepsy since 2012, so she and her family decided that this was the event's last year. But, Reiny's parents decided that the money gathered this year will go towards getting Shelby a service dog to warn her of a possible seizure. Today, Shelby looked back on five years of Run for Reiny.

"We want to see people remembering Reiny in a happy way, says founder and walk/run coordinator Gantzer. "She was always smiling, always giving you advice and helping you out with something. This is our way of thanking her, and reminding her for all she did."

You can make a donation at any First Western Bank and Trust. An account has been set up under the name Run 4 Reiny.

Reiny was the daughter of Jeff and Mechell Holien. She past away in Nov of 2009 in a car accident near Surrey.

Run for Reiny took place on June 7th and some of the members of the Dakota Cruisers were there to support the event.
