PRESIDENTS MESSAGE

November 2014

“SHIFT’N GEARS FOR 20 YEARS”

November 2014. Well, here we are getting ready for – yes you guessed it---Winter Storage! I suppose some of you keep your classics ready all winter long, but you are the exception to the rule! The clubhouse is ready for the rest of you to put your beauties inside for the winter.

Speaking of November: the 5th at “The Vegas” will be the night to remember. We will be electing new officers and electing two new Board members. Doug “Spanky” Frazier and Rita Webb will be going off of the Board. Terms start in January, and if you want a larger voice in the Club, then get nominated and be heard.

Also on the 5th at “The Vegas”, we will be auctioning the 350 GM Crate Motor. Bidding will start at \$1,200 and during this ‘live auction’, the high bidder will own the engine. Our guidelines ask for payment that evening or the next day. The Board has decided to cap the Lifetime membership at 240. There are 237 current lifetime members. So if you have been considering joining as a lifetime member, the chances are narrowing. Now is the time to act.

The third weekend in October, I went to Denver to sell my 57 Chevy and I accomplished that goal. It is gone to a new owner in Utah. I bought another 52 MG TD and I also have bought a 63 Lincoln Continental convertible. Fun times ahead!!! The update on my Continental Mark II: They say it will be done and ready for me to pick up the second or third week in November! We will have a ‘Welcome Home’ Friday luncheon the week after its

arrival. You won't want to miss that one. The Nomad: well, I drove it another 200 or so miles to "Duck Fest" in Bowdon----down by Fessenton. Fun times and the Nomad drove perfectly.

Plans are under way for next summers' activities already by the guys in charge of activities---Dave Alberts and Dave Smith. Summer 2015 will be another fun summer of Cruising for you all.

Well, that's all for now. Stay warm, and be sure to register for the Club Christmas Party that will be held on the 13th of December held at the Grand Hotel. Cost till the 10th is only \$25 per person. Should prove to be a great evening. Wait till you see the entertainment!!!

- The Board is working on the design with Stith Printing for the 2015 t-shirts. The color white has been chosen by the board for the t-shirts. Kathy Smith asked why the general membership wasn't included in the choice of color. George explained it is easier to come to a consensus with a smaller group. The board takes into consideration the colors of the Car of the Year Honorees vehicles when choosing a color. The screen printer has also recommended white or ash white as it sets off the design of the screen printing much better than a colored shirt.
- Election of Officers and Board members – All officer positions are up for election as well as two board member positions. Rita Webb and Doug Frazier have fulfilled their two year terms. Nominations will be taken tonight and at the November general meeting, with voting to take place immediately following the nominations. Nominations were as follows:
 - Goldie Braaten nominated Gene Mallory for a Board Member position. Seconded by Lenny Salseg. Gene Mallory declined.
 - Goldie Braaten nominated Arlan Krebsbach for a Board Member position. Seconded by Ron Penfold. Arlan Krebsbach declined.
 - Goldie Braaten nominated Tom Ulberg for a Board Member position. Seconded by Joe Uhrmacher.

Hello to all,

Please say thank you for the great job that Tammy Kloehn has done being our newsletter editor. She has done a wonderful job but now it's my turn to take over and help the club in a different way than I have before. I guess the newsletter editor is a very important job in that it is our written voice of club and I take that responsibility seriously as Tammy did. I have been with the club for over 18 years and a lot has changed over the years. In those early years I remember our meetings at the Eagles' club just behind Harley's off of 16th St. Our numbers were small but things were just as fun as they are now. My, how we have grown!

As your new newsletter editor I ask that you please have a bit of patience as I am just used to formatting and structure of pictures and text that really must fit into a space of 6 pages. It's not too hard but does take a little bit of thinking.

Rhonda
