PRESIDENTS MESSAGE

September 2016

“SHIFT’N GEARS FOR OVER 20 YEARS”

Now it's HOT!!! 96 degrees and counting this week. But, that's OK because soon we will be putting our cars away for the winter! Lots of room in the club house this winter and prices have not changed, so \$50 per month is still the going price. Usually Nov 1 thru 30 April is the timeframe that works for most.

Congratulations to all of the car show winners from Mohall, Bottineau, Melita, Minot AFB, and downtown Minot car shows. I cannot list all of the winners, but all of the cars are winners in my book. It's neat that so many different cars win these awards, and the

variety is great! So again, it is nice to see so many of your cars getting recognized!

Speaking of recognizing cars, the Car of the Year honors were extended one month, so we have asked for the car nominations be in and then at this next meeting, Wednesday, Sept 7th at the Vegas, we will have a picture presentation of the cars so you will have a chance to see all of the nominated cars in each of the two categories, and vote that night. Please try and make the meeting so we can get the most out of this program. The honors will go to two of the highest voted upon and will be the design for the 2017 "T" shirt design. Come and VOTE!!!

I think I told you that I went to Billings last month (July) and on the way back, my radiator gave out. Well, I found the receipt and the darned thing is under warranty and they are fixing it and polishing it. Hope to have it back just in time for Winter storage!

At the last meeting I announced that I was not going to be running for President, but it was a joke. We were just setting things up so that Rita Webb would be the FIRST WOMAN president of the DC's. Just a joke. If I am elected again, I will accept, but new leadership is not always a bad thing.

As I write this, Motor Magic is ahead of us and the Season Finale, too. We've been meeting all summer on both events and we think everything is well under control. We will see...

Anyway, thanks to everyone who helps out with things! Without you all who help on a regular basis, the club would not be as great as it is, so I thank all of you!!!

Directly after the Finale, I am going on a little vacation. Heading to Washington, DC, then Baltimore to see my brother John. Then from John's going up to Bethlehem, PA with brother Donald. Fun times there and I'm going to just relax and not think about cars at all! (RIGHT!!!)

I'm Mark Johnson and I am looking for a 64 Impala SS I sold when I was living on Minot around 1984. I sold it to a body man that worked at Westlie Ford. The car was white with a light brown interior, front buckets, power windows and A/C. It was my first car and any help in locating it would be appreciated.

Thank you,
Mark A Johnson
